

WORLD ADMINISTRATORS

ALLIANCE

Council Team Charter

Objectives

We commit to working together in full and open collaboration to fully meet the objectives of the WA-Alliance to guide, influence, develop and elevate the global administrative community.

Values

We respect, trust and support each team member and their views, without prejudice.

We support the decisions of the team.

We raise concerns promptly and honestly.

Communication

We speak as one voice.

We agree to listen and hear what is being said, and suspend our assumptions.

We offer and accept constructive feedback.

Teamwork & Collaboration

We participate actively, contribute positively and do not hesitate to share ideas and knowledge.

We use the agreed tools for effective collaboration.

Accountability

We take shared accountability for the success of the Council and the Alliance.

We cooperate to exceptionally perform on all tasks.

We meet our agreed deadlines and commitments.

We look for ways to improve and learn from our mistakes.

Behaviours

We expect all team members to come on time and be prepared for meetings.

We respect everyone has something to contribute and we are all equally valuable as individuals.

We acknowledge the difference between intention and impact and accept that our intentions are for the good of the team and the Alliance.

We care for each other by actively assessing and regulating our own emotional intelligence.

We foster a positive, open minded and realistic mindset.
